Studio hinter dem Bild

/behindTheScenes

PASS

GETESTETER PROMPT

Turn the reference portrait into a realistic behind-the-scenes studio photograph. Show the same man full body in front of a white seamless backdrop, with photographer, camera, softboxes, reflector and floor marks visible. Preserve his face, bald head, long dark beard, orange aviator glasses and turquoise hoodie.

IDEAL FÜR
Making-of · Kursmaterial · Social Media

Sechs Lichtstimmungen

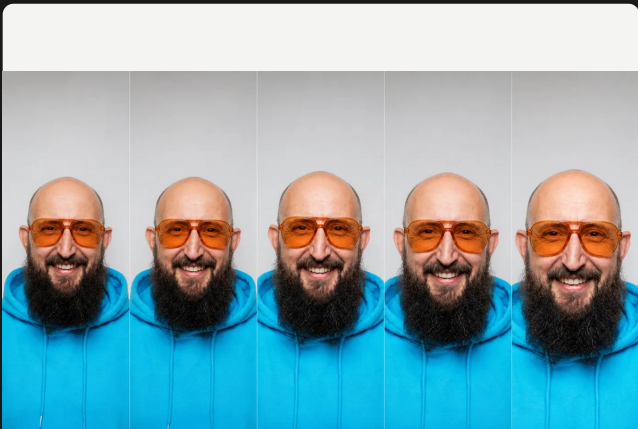

/relightingGrid

PASS

GETESTETER PROMPT

Create a clean 2x3 relighting grid of the same portrait. Keep identity, pose, crop, expression, glasses, beard and hoodie identical. Change only the light: flat front light, soft window light, Rembrandt light, dramatic side light, split light and strong rim light.

IDEAL FÜR
Lichtplanung · Thumbnail · Mood-Vergleich

Wärmebild

/thermography

PASS

GETESTETER PROMPT

Transform the portrait into a convincing scientific thermal-camera image with a blue-to-red-to-yellow heat palette, visible temperature differences across face, glasses, beard and hoodie, dark blue background, same frontal identity.

IDEAL FÜR

Science-Look · Tech-Thumbnail · Storytelling

Sichtbare Luftströmungen

/schlieren

PASS

GETESTETER PROMPT

Create a monochrome schlieren-photography portrait of the same man. Show fine refractive air currents curling around his face, beard and shoulders against a black background, silver edge detail, laboratory optical-imaging aesthetic.

IDEAL FÜR

Physik · Atem · Sound

Flachbettscanner-Porträt

/scanography

TEILWEISE

GETESTETER PROMPT

Recreate the portrait as true flatbed scanography: face and hoodie close to scanner glass, shallow depth, dark surrounding scanner lid, subtle dust and glass texture, hard lateral scanner light, slight contact distortion.

IDEAL FÜR

Albumcover · Kunstserie · Editorial

Fotogramm

/photogram

PASS

GETESTETER PROMPT

Turn the portrait into a high-contrast black-and-white darkroom photogram. Make the head, aviator glasses, beard and hoodie readable as direct-contact silhouettes and translucent outlines on aged photographic paper, with dust and chemical edge marks.

IDEAL FÜR
Poster · Cover · Druckgrafik

Chemigramm

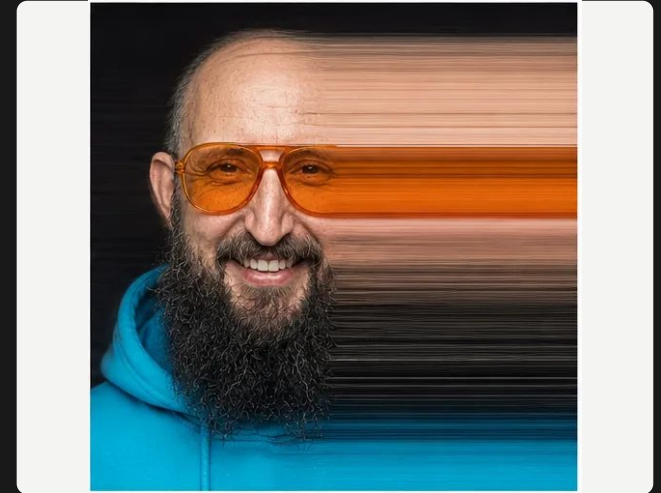

/chemigram

TEILWEISE

GETESTETER PROMPT

Create a handmade chemigram portrait on photographic paper using developer and fixer stains, branching chemical textures, sepia-black tonal blooms and distressed paper edges. Keep the man recognisable through glasses, bald head, beard and smile.

IDEAL FÜR
Fine Art · Editorial · Branding

Slit-Scan-Verzerrung

/slitScan

PASS

GETESTETER PROMPT

Create a horizontal slit-scan portrait: keep the left half of the man's face recognisable and stretch the right half into long time-sliced horizontal bands. Preserve turquoise and orange colour cues on a black background.

IDEAL FÜR
Musikvisual · Motion Art · Zeitthema

Fadenbild

/stringArt

PASS

GETESTETER PROMPT

Rebuild the portrait as real nail-and-thread string art mounted on a circular wooden board. Use black thread for facial features and beard, orange thread for glasses and turquoise thread for the hoodie. Photograph the physical artwork.

IDEAL FÜR
DIY · Geschenk · Maker-Content

Drahtskulptur

/wirePortrait

PASS

GETESTETER PROMPT

Transform the subject into a freestanding wire portrait sculpture in a modern gallery. Use black, copper-orange and turquoise wire to define the bald head, glasses, beard, smile and hoodie. Realistic shadows and physical construction.

IDEAL FÜR
Skulpturidee · Ausstellung · 3D-Konzept

Gepresste Pflanzen

/pressedFlowers

PASS

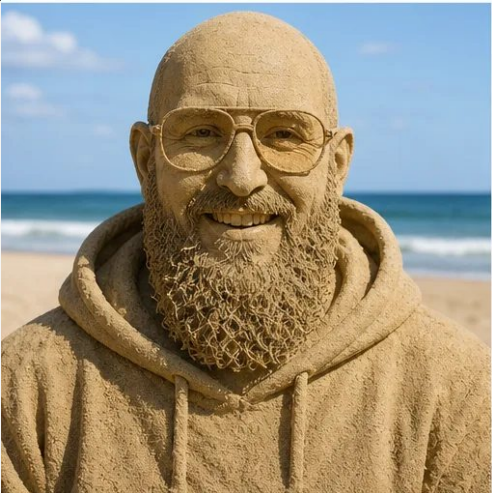

GETESTETER PROMPT

Create the portrait as a handmade collage of pressed flowers, leaves and petals on textured cream paper. Use orange petals for glasses, dark botanicals for beard and blue petals for the hoodie. Preserve the recognisable smile.

IDEAL FÜR
Papeterie · Poster · Geschenk

Sandskulptur

/sandSculpture

PASS

GETESTETER PROMPT

Turn the same man into a highly detailed life-size sand sculpture on a beach. Sculpt the bald head, aviator glasses, beard texture, smile and hoodie folds entirely from wet sand. Natural daylight and ocean background.

IDEAL FÜR
Sommercontent · Event · Vorher-nachher

Eisskulptur

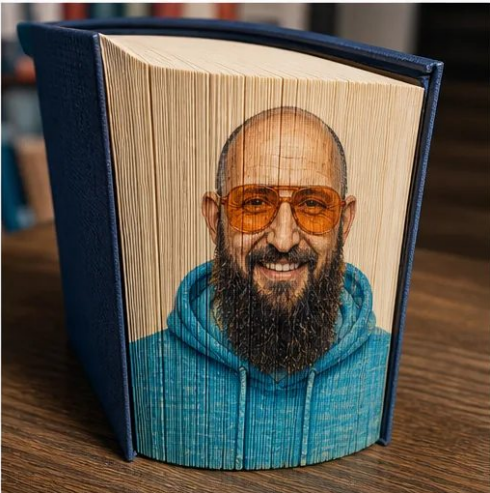

/iceSculpture

PASS

GETESTETER PROMPT

Transform the portrait into a transparent carved ice bust outdoors at blue hour. Preserve glasses, beard curls, smile and hoodie silhouette in clear ice with bubbles, frost and cyan reflections.

IDEAL FÜR
Winterkampagne · Event · Thumbnail

Buchschnitt-Porträt

/foreEdgePainting

PASS

GETESTETER PROMPT

Show a real closed hardcover book whose fanned page edges reveal a detailed fore-edge painting of the reference portrait. Preserve orange glasses, dark beard and turquoise hoodie; warm library setting, realistic paper texture.

IDEAL FÜR

Drohnen-Lichtbild

/droneLightShow

PASS

GETESTETER PROMPT

Create a night photograph of a large outdoor drone light show forming the man's portrait in the sky. Thousands of blue, orange and white light points clearly define his bald head, glasses, beard, smile and hoodie.

IDEAL FÜR
Eventpitch · Festival · Markenstunt

Klangmuster-Porträt

/cymatics

PASS

GETESTETER PROMPT

Create a real cymatics or Chladni-plate experiment in which fine sand on a vibrating black plate forms the man's recognisable face, orange glasses and turquoise hoodie, surrounded by standing-wave geometry. Laboratory macro photograph.

IDEAL FÜR
Musik · Akustik · Wissenschaft

Leiterplatten-Porträt

/pcbPortrait

PASS

GETESTETER PROMPT

Design a functioning black printed circuit board whose copper traces, vias and components form the reference portrait. Orange copper defines glasses and facial features; turquoise traces define the hoodie. Top-down product photograph.

Oszilloskop-Linienbild

/oscilloscope

PASS

GETESTETER PROMPT

Display the man's portrait as a continuous green vector trace on a vintage analog oscilloscope CRT. Clearly draw the bald head, aviator glasses, beard, smile and hoodie in glowing phosphor lines; dark workshop setting.

IDEAL FÜR
Retro-Tech · Audio · Synthesizer

Lentikulardruck

/lenticular

PASS

GETESTETER PROMPT

Photograph a physical lenticular portrait print in a clear acrylic frame. Visible vertical ridges combine two expressions of the same man while preserving orange glasses and turquoise hoodie; oblique light proves the real lenticular surface.

IDEAL FÜR
Printprodukt · Messe · Interaktive Kunst

Hologramm-Büste

/hologram

PASS

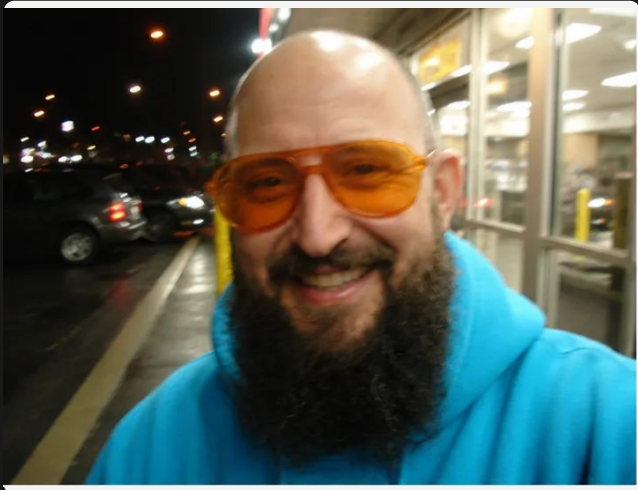

GETESTETER PROMPT

Create a realistic tabletop volumetric hologram projector displaying a cyan-blue bust of the same smiling man. Preserve bald head, orange glasses, long beard and hoodie silhouette as luminous scan lines in a dark room.

Verwackeltes Nachtfoto

/rawPhoneNight

PASS

GETESTETER PROMPT

Make this look like a raw handheld phone snapshot outside a convenience store at night: slight motion blur, imperfect focus, mixed neon and fluorescent light, wet pavement, casual framing. Preserve the same person and clothes.

IDEAL FÜR
Street-Look · Social Post · Musikvisual

Direktblitz-Schnappschuss

/pointAndShoot

PASS

GETESTETER PROMPT

Recreate the portrait as a late-1990s point-and-shoot film snapshot indoors: harsh direct flash, dark background, visible grain, slight red-eye, casual off-centre crop and date-free lab-print aesthetic.

IDEAL FÜR
Partylook · Retro-Cover · Story

Frühe Digitalkamera

/digicam2003

PASS

GETESTETER PROMPT

Turn this into an early-2000s compact digital-camera photo: cool white balance, blown flash highlights, mild JPEG artefacts, deep depth of field, ordinary living-room background and unpolished consumer-camera realism.

IDEAL FÜR
Y2K · Nostalgie · Meme

Soft-Mist-Porträt

/softMist

PASS

GETESTETER PROMPT

Create a cinematic portrait using a strong black-pro-mist diffusion filter: glowing highlights, soft halation around the orange glasses, low-contrast shadows, shallow depth of field and gentle window light. Keep identity accurate.

IDEAL FÜR
Profilbild · Artist-Porträt · Editorial

Nachtportrait mit Blitz

/directFlash

PASS

GETESTETER PROMPT

Photograph the same man outdoors at blue hour with strong on-camera direct flash. Bright crisp subject, dark city background, specular highlights on orange glasses, candid documentary energy, no studio polish.

IDEAL FÜR
Streetstyle · Event · Pressebild

360-Grad-Werkstatt

/equirectangular360

TEILWEISE

GETESTETER PROMPT

Place the same man inside a fully detailed maker workshop and render a true 2:1 equirectangular 360-degree panorama with ceiling and floor distortion, seamless left and right edges and the subject standing near the centre.

/crowdSearch

PASS

GETESTETER PROMPT

Create a dense overhead photo of a busy maker convention with hundreds of people and booths. Hide the same bald bearded man in orange glasses and turquoise hoodie clearly but not centrally, like a classic visual search puzzle.

IDEAL FÜR
Community · Gewinnspiel · Messe

Creator-Livestream

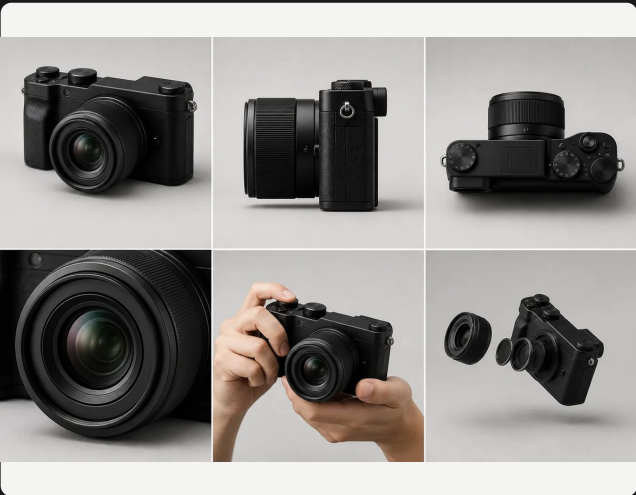

/creatorLivestream

PASS

GETESTETER PROMPT

Create a realistic vertical creator livestream interface showing the same man at a workbench presenting a small electronic build. Include camera view, readable live comments, viewer count and reaction controls without using real platform branding.

IDEAL FÜR
Stream-Konzept · Kurs · Social Mockup

Sechs Produktansichten

/productAngleGrid

PASS

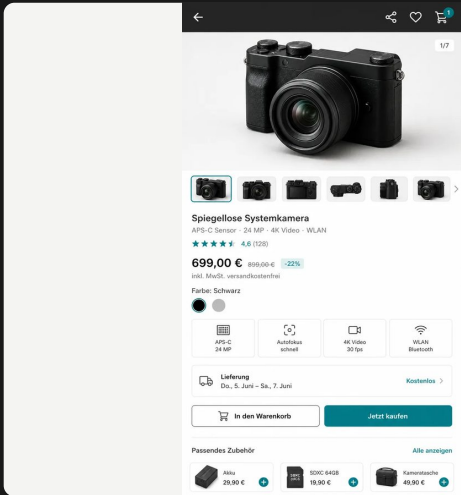

GETESTETER PROMPT

Create a clean 2x3 product-photography grid of the exact unbranded black mirrorless camera: three-quarter front, side, top, lens close-up, in-hand scale and exploded lens view. Keep geometry and materials consistent.
